*Zurich, 29 March 2021*

The Burkhalter Group is set to increase its presence in Switzerland's French-speaking regions by purchasing both Tabelec Force et Commandes SA, based in Aclens (Vaud), and its subsidiary in Vernier (canton of Geneva). Founded in 1991, Tabelec SA is a successful manufacturer of electrical switchboards. The company's market share, though regional at first, has gone from strength to strength over the years. Eusébio Oliveira, who currently owns Tabelec SA, will stay on as director, and all current employees will be retained. With the acquisition of Tabelec SA, the Burkhalter Group is adding to its range of electrical engineering services in the French-speaking regions of Switzerland.

Tabelec Force et Commandes SA is the 28<sup>th</sup> company that Burkhalter Holding Ltd has purchased since being listed on the stock exchange in June 2008. Its strategy still involves gaining a greater share of the market through targeted acquisitions of other electrical engineering businesses.
